

Where Pupils Achieve and Excel
Headteacher: Mrs T Price BA (Hons) MA Ed

Our ref: LP/DM

20th November 2019

Dear Parents/carers.

On the 26th November will be hosting a 'More Able Coffee Morning' from 9:30-11:00am.

If you feel your child excels in any aspect of the curriculum or has any outside interest you want to ensure is supported, this event is for you.

The purpose of the morning is to share information with you about how we ensure higher ability pupils are enriched, encouraged and challenged during their time at James Bateman.

Mrs Price, the Head Teacher and Mr Pace, the Deputy Head Teacher will be on hand to answer your questions about learning at James Bateman. You will also have the opportunity to meet with some of our curriculum leaders, giving you the opportunity to speak to subject specific specialists about your child's education.

The morning will be informal and no appointment will be necessary.

We look forward to seeing you then, should you have any further questions about this event please contact the school and we'll only be too happy to help.

Kind Regards

A handwritten signature in black ink, appearing to read 'Lee Pace', written over a horizontal line.

Mr Lee Pace
Deputy Head Teacher.
